Southeast New Mexico College Workforce Development

Course Fee Assistance Program

This document establishes a financial assistance program for Southeast New Mexico College Workforce Development programs.

- **Training Programs Covered:**

- Commercial Driver License (CDL) Training
- Radiological Control Technician Training
- Online programs that result in licensure, or industry-recognized certification or credential

- **Form of Assistance:**

- **Course Fee Coverage:** 95%

The applicant is responsible for the remainder of the fee.

- **Eligibility:**

To be eligible for this financial assistance program, applicants must meet the following criteria:

- Be a resident of Eddy County, New Mexico.
- Be enrolled or planning to enroll in a covered Workforce Development program at Southeast New Mexico College.

- **Application Process**

Interested individuals can obtain an application form from the Southeast New Mexico College Workforce Development office by email or in person. The completed application form, along with proof of residency, should be submitted to the Workforce Development office for review. Submission details are on the application form.

- **Select on Process**

Applications will be reviewed on a rolling basis until program funds are depleted. Selection will be based on Eddy County residency on a first come, first served basis.

- **Award Disbursement:**

Financial assistance awards will be applied directly to the student's course fees.

- **Program Contact:**

For more information about this program, please contact the Southeast New Mexico College Workforce Development office at (575) 234-9277 or workforce@senmc.edu.
