Southeast New Mexico College Workforce Development
 Course Fee Assistance Application

This program offers financial assistance to eligible residents of Eddy County, New Mexico, who are enrolled or planning to enroll in a program that leads to licensure or industry-recognized certification or credential. The program covers 95% of the course fee for these programs. The applicant is responsible for the remainder of the fee. Please complete all sections of this application form and submit it along with the required documentation to be considered for this program.
